Rear Admiral Kevin E. Lunday assumed the duties as Director, Exercises and Training of U.S. Cyber Command in June 2014. Rear Admiral Lunday is responsible for training requirements, certification standards and exercises to enable the military services to build and prepare cyber forces required to execute assigned missions.

He served as the Executive Assistant to the 24th Commandant from 2011 to 2014. Prior to that he served as Commanding Officer of Coast Guard Maritime Intelligence Fusion Center Atlantic where he was responsible for directing all-source intelligence and information collection, analysis, and production to provide decision advantage to Coast Guard operations throughout the eastern U.S. and the Atlantic Ocean. Rear Admiral Lunday has served in a variety of legal, intelligence and operational assignments in the Coast Guard, including command afloat and ashore.

Rear Admiral Lunday is a Distinguished Graduate of the National War College with a Master of Science in National Security Strategy and a graduate of the Naval War College (College of Command and Staff). He holds a Juris Doctor from George Washington University Law School and Bachelor of Science in Marine Engineering from the U.S. Coast Guard Academy.

He is Judge Advocate and licensed to practice law in Virginia, Maryland, and before the U.S. Supreme Court. He is also certified as a Military Judge under Article 26(b), Uniform Code of Military Justice.

Individual military awards include the Legion of Merit (2), Meritorious Service Medal (3), Coast Guard Commendation Medal (4) with the Operational Distinguishing Device and Coast Guard Achievement Medal (2) with Operational Distinguishing Device. He is the recipient of the 2004 U.S. Intelligence Community National Intelligence Certificate of Distinction. He is also the recipient of the 2005 American Bar Association SCAFL Outstanding Military Service Career Judge Advocate Award.
